

REMARKS

Claims 59, 64, and 66-69 are currently pending in this application, and Claims 56-58, 60-63, and 65 have been previously withdrawn. In a previously submitted amendment, Claims 1-55 were canceled. By this supplemental amendment, Claims 59 and 64 have been amended, and Claims 66-69 have been added.

Claims 59 and 64 have been amended to more accurately described the claimed invention. Newly added independent Claims 66 and 67 are system claims that track the language of amended independent method Claim 59. Claims 68 and 69 are newly added independent claims that track the language of amended independent system Claim 64.

Support for newly added independent Claims 66-69 can be found throughout the original specification. No new matter has been added. Examination and allowance of each claim is respectfully solicited.

CONCLUSION

It is not believed that extensions of time or fees for addition of claims are required beyond those that may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 CFR §1.136(a), and any fee required therefore (including fees for net addition of claims) is hereby authorized to be charged to Deposit Account No. 19-5029.

Respectfully submitted,

/William T. Cook/
